PERMISSION TO BE PHOTOGRAPHED
FOR PURPOSES OF PROMOTING OUR SCHOOL

Dear Parent/Caregiver

From time to time individual students or groups of students have the opportunity to be photographed or filmed for purposes of promoting the school or individual achievements. We have had children appear in the local papers and even on television news.

We would like to have on file your permission for your child/ren to be included in these events should an opportunity arise. If you have no objection to them being photographed or filmed and in some cases identified by name in the press, please complete the permission note below and return it to the school.
